

# ME550DFB Analog ECG Output Adapter

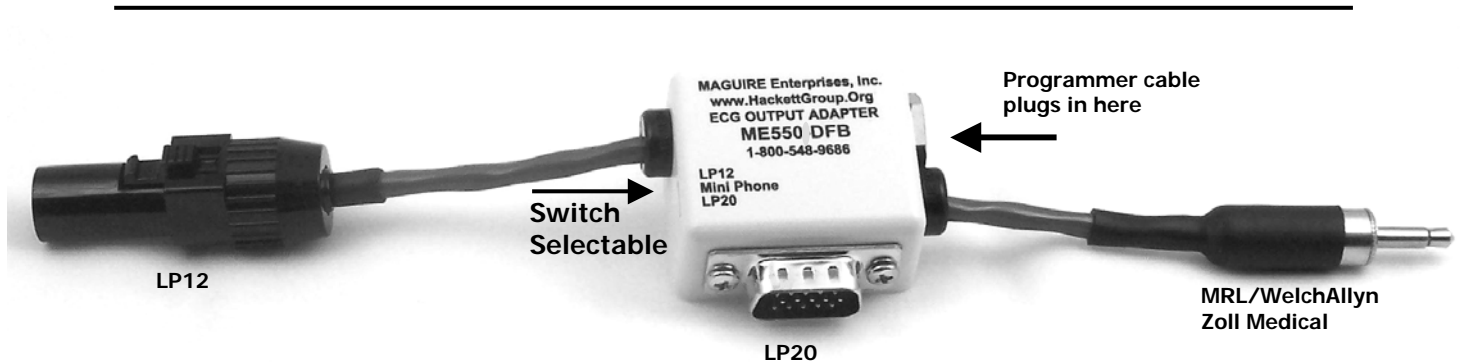

**For connecting cables from defibrillators to pacemaker programmers  
Adapts the ECG analog output of most current defibrillators to be a ¼" phone jack**

The only adapter you need to connect the cable (including the one that comes with the programmer) between most current model defibrillators and your programmer. The model ME550DFB Analog ECG Output Adapter allows the following defibrillators to accept the cables ¼" phone plug.

- Medtronic Physio-Control defibrillator LIFEPAK 12
- Medtronic Physio-Control defibrillator LIFEPAK 20
- Physio-Control defibrillator LIFEPAK 9 (plug the cable directly into the ¼" phone jack)
- Zoll Medical M and CCT Series defibrillators (Mini Phone)
- HP/Philips defibrillators (plug the cable directly into the ¼" phone jack)
- GE Healthcare/Marquette defibrillators (Mini Phone)
- MRL/WelchAllyn defibrillators (Mini Phone)

## Operating Instructions

You do not need multiple defibrillator analog ECG output adapters to use whatever defibrillator you choose. Simply plug your programmer cable ¼" phone plug into the ME550-DFB, **move the protected slide switch to select the appropriate model defibrillator** and plug the ME550-DFB into the analog output connector on the defibrillator you have chosen.

**Universal Defibrillator Analog ECG Output Adapter ... ME550DFB ... \$177**

**Output Adapter – Zoll R Series**  
ECG Out to ¼" Female Phone Jack . ME550ZR . \$127

**The ME550DFB and the ME550ZR also work with the following MAGUIRE Enterprises manufactured Pacer Programmer cables:**

- ¼" phone plug to Boston Scientific Zoom Programmer . ME590031L .. \$127
- ¼" phone plug to Ela Medical Orchestra Programmer ... ME590110 ... \$157
- ¼" phone plug to Medtronic 9790 Programmer ... ME590090F .. \$137
- ¼" phone plug to Biotronik ICS 3000 Programmer ... ME590090K ... \$137

**MAGUIRE Enterprises also manufactures the following Pacer Programmer cables to allow the end user to directly connect defibrillators to programmers.**

- LIFEPAK 12 to Boston Scientific Zoom Programmer .. ME590031M ... \$164
- LIFEPAK 12 to Biotronik ICS 3000 Programmer ... ME590090M ... \$157

- LIFEPAK 20 to Medtronic 9790 Programmer ..... ME590090J ... \$154
- LIFEPAK 20 to Boston Scientific Zoom Programmer ... ME590031K ... \$137
- LIFEPAK 20 to Biotronik ICS 3000 Programmer ... ME590090N ... \$137

- Zoll M or CCT to Boston Scientific Zoom Programmer . ME590031Z . \$137
- Zoll M or CCT to Biotronik ICS 3000 Programmer .... ME590090Z . \$164

- Zoll "R" to Boston Scientific Zoom Programmer ... ME590031R ... \$137
